

## Ten Ways to Ask Students about their Thinking!

- Why do you think that?
- Can you find it in the text?
- What strategy did you use?
- How do you know?
- What are the steps you took?
- What did you do first? Then what did you do?
- Can you show me what you're thinking?
- Can you tell me more?
- Will you explain your thinking?
- What experience do you have with this?
