Language Objective:

I identify the
differences between
fantasy and realistic
text.

Language Objective:

Use your

imagination to

rewrite part of the

text.

Language Objective:

Read your NEW
conclusion with
expression, fluency
and volume.

Purpose for Reading:

Notice how realistic
animal relationships
are written into the
fantasy story.

Purpose for Reading:

I imagine how the
conclusion would be
different if Chorizo
was not a dog.

First, decide what animal the NEW Chorizo will be.

Then, write it on a post-it note.

After that, discuss possible NEW conclusions and choose the best one.

Next, explain your NEW conclusion with the teacher.

Last, write and *illustrate* your NEW conclusion.
